Family Night Out (All ages)	Holliston School-Gym	7:00 PM-9:00 PM	Fri. Sep 23 - Dec 2	\$TBD

HOLLISTON FALL PROGRAMS

A membership fee of \$10.00/individual or family per year is required to participate in programs. Please see our website www.hollistoncommunityassociation.ca for updated listings of programs offered & descriptions. Contact information is always available on our web site. Holliston Community Association honours other community association memberships.

Cost as a Barrier

The Executive of the Holliston Community Association would like to remind members of the Holliston Community that if covering the cost of program fees for you or your child is a challenge, we support the Everyone Plays Program. Please contact the HCA or any member of the HCA Executive, regarding your concern prior to registration so that you may participate in this program.

Youth Fun & Fitness

The Youth Fun & Fitness program will be moving to Thursdays, 2:40 pm to 5:00 pm. There will be two facilitators to lead the youth in various activities including sports, games, and kids yoga.

As this program is during the Holliston School early dismissal time, children attending Holliston School will be given first opportunity to sign up. To accommodate facilitator: youth ratios, space is limited.

Family Night Out

Please note that this is a family event – children must have a parent(s) or guardian(s) present at all times during the evening. This program will not have a facilitator present to lead or organize the program.

Shared Programs

In an attempt to ensure programs run, several adult and youth programs are being shared with other community associations. If registration exceeds what is allowed for the Holliston Community Association members, those interested in the program will be placed on a wait list.

If space exists after the other CA has completed their registration those from the wait list will be contacted for placement in the program. This system will allow a

greater variety of programs to run.

Program Changes

Unfortunately, there will likely still be some changes to programs (days, times, locations, content) as instructors and program space/location are finalized. We will make every effort to have the information on the HCA website prior to registration day. There will also be updated program information sheets at the registration. If you have specific program questions, contact us via our website, www.hollistoncommunityassociation.ca.

Holliston School Gym, Thursdays, 9-10pm

No fee, just drop in!

Family Swim

Once again, the Holliston Community Association, in conjunction with all other community associations in Saskatoon, are offering Family Swim packages. The package is \$125.00 and covers a total of 20 swim times at the Lakewood Civic Centre for a family group (two adults and up to five children).

As a cost comparison, the Civic Centre charges \$15.60 per family (two adults and up to five children) for each public family swim session – a total of \$312.00 for

20 sessions. The Community Association Family Swim package saves you \$187.00!!!

The swim times are Sundays between 7:00 pm and 8:30 pm. The schedule for Fall 2011 and Winter 2012 is as follows:

September 18 to November 27, 2011
(cancelled October 9, 2011 for Thanksgiving)

January 22 to April 1, 2012
(cancelled February 19, 2012 for Family Day weekend)

As a reminder, two or more families may purchase one Family Swim package just as long as the number of individuals in the pool for any one swim session does not exceed the maximum of seven (two adults and five children). Also, the children may bring a friend.

For example, if you have one child, they could bring four friends to the swim session (total of five children). If more than one family is purchasing the swim package, it is registered under only one name (may be hyphenated, such as Smith-Jones) with one contact phone number.

Just remember who the package is registered under and what phone number is included should a swim monitor ask for the name and phone number.

This is an excellent way for families to have fun together and stay active!!!

Holliston Soccer news

Registration for indoor soccer for the Holliston Community Association will be on Tuesday, September 6, from 6:30 pm to 8:30 pm in the Holliston School Gym. We will be offering soccer programs for children born between 2002 and 2007.

If your child is born in 2001 or earlier, they need to register for soccer through the Eastside Soccer Association online at www.eastidesoccer.ca.

Under 6 soccer: This program (also known as Tim Bits soccer) is for children born in 2006 or 2007. The cost is \$60.00. The teams will have a regularly scheduled weekly gym time for practices and home league games. There will also be away league games in other school gyms that may not be on the same night as the Holliston gym times. Also on one Sunday per month there will be a soccer mini-jamboree game on the indoor turf at the Sasktel Soccer Centre. From past experience, we would not recommend Under 6 indoor soccer for children who are not at least 4 and one-half years old at the start of the soccer season.

Under 8 soccer: This program is for children born in 2004 or 2005. The cost is \$85.00. The Under 8 teams will have a regular weekly practice time in the Holliston School gym. Based on past years, it is likely this will be a Monday or Tuesday, but we cannot give any assurances at this time. The Under 8 teams will be placed in either a Saturday or Sunday league, and will have a league game most weekends from late October until early March. All of the league games will be at the Sasktel Sports Centre on either the hard court fields or on the turf.

Under 10 soccer: This program is for children born in 2002 or 2003. The cost is \$150.00. There is not a co-ed league for this age group. If we do not have enough Holliston girls to enter our own team, we will combine with a neighboring community to make a girls team. Under 10 teams will have a regular weekly practice time in the Holliston School gym. Also, they will be placed in either a Monday or Thursday night league. Most league games are played at the Henk Ruys soccer centre in Lawson Heights. There will also be two league games on Saturday or Sunday at the Sasktel Soccer centre indoor turf.

If you have any questions, please -mail Mike Digout at mikedigout@shaw.ca. However, please be aware that we cannot be any more specific about the dates of games or practices at this time. The actual gym times will not be assigned until we know how many teams we have and have determined who will be coaching the teams. Also, we do not have complete control over which league nights SYSI places the Holliston Teams into.
