Presidents Message

After seven years as President of the Holliston Community Association, the time has come for me to step down and pass the torch to someone new at this year's AGM. It has been a privilege to serve our community and to work alongside so many dedicated volunteers, and community members.

This year alone, our community enjoyed a Fall Fun Day, Winter Fun Day, our Community Clean Up, and dozens of youth and adult programs throughout the year. I am incredibly proud of what we have accomplished together.

As I step down, I look forward to helping welcome and transition a new President onto the board. If you are passionate about our community and interested in helping guide the Holliston Community Association into its next chapter, I encourage you to consider getting involved. All community members are welcome to join our upcoming September meeting and October AGM to learn more!

Thank you for seven wonderful years. I look forward to continuing to support our community in new ways and seeing what comes next for the Holliston Community Association!
